Ofsted Inspection Report

Dear Parents and Carers,

I hope this letter finds you and your families well. Following our Ofsted inspection on 6th and 7th January, we have now received our inspection report which is available for you to view on our website using the link below: https://reports.ofsted.gov.uk/provider/23/100975

I am proud of what we have achieved, and the report reflects the significant strengths of Central Foundation Girls' School.

Points to Note and Highlights

- CFGS was among the first schools to be inspected under the new Ofsted framework
- Ofsted recognised the high standards our students achieve and their positive attitudes to learning
- Inspectors recognised our inclusive ethos, noting that all students are welcomed, valued and supported to succeed
- The report praised our safe school environment, with strong safeguarding arrangements and a culture where students feel secure and listened to
- Ofsted highlighted the strength of relationships between staff and students and the wide range of opportunities available to all.

I'd like to extend my heartfelt thanks to all parents, carers and students for your ongoing commitment to our school community. Your support, engagement and feedback are crucial to our success, and we are grateful for the partnership we share.

Thank you once again for everything you do to support Central Foundation Girls' School.

Yours sincerely,

Calm Prince
