Dear Parents / Carers,

Photography and Filming for CFGS Website

This letter is to inform families that on Tuesday 22nd September we will have a company in school carrying out photography and filming for the school website. They will be accompanied throughout the day by CFGS staff whilst they are visiting classrooms, playgrounds and other common spaces in school.

Please be assured that the images used on our website will not feature the faces of CFGS students where their identify is discernible but may show students from behind using point of view shots. The company will be using AI-generated images to supplement student faces in the images.

Should you have any concerns, please contact us using the email above.

Yours sincerely,

Ms. C. Prince
Headteacher
