20th July 2026

Dear Parent / Guardian,

A Level and BTEC Results Day 13th August 2026

Please be advised that your daughter will be able to collect her official A Level and BTEC results on **Thursday 13th August 2026 from 8-11am Aspire Cafe**.

Students should access the school site using the Aspire reception and then make their way directly to the Aspire Café6.

If your daughter is unable to collect her results in person and/or is out of the country she can either

1. nominate a member of family to collect on her behalf – she must email ExamOffice@central.towerhamlets.sch.uk with the full name, address, date of birth of the nominee and they must bring photographic ID with them on collection
2. email ExamOffice@central.towerhamlets.sch.uk to inform them of her absence in advance and a memebr of the Exams Team will email her results to her school email address. ***Please note that we cannot guarantee that the email will be sent straight away in the morning as the team will be handing out results.***

If your daughter has not yet returned all text books to Faculties and the Library, loaned laptops or paid off her lunch balance, **she will not be able to collect her results**. Please ensure she has returned all books before this date, or bring these into school on results day. **Any Library books/ school resources that have been lost/ damaged must be paid for on results day as per previous communication.**

Should your daughter need any assistance, the CFGS6 Team will be available in Aspire from 8am on results day and are here to support her with her post 18 decisions. It is advisable that she checks her UCAS account and her emails prior at 8am as her outcome for university placement/ alternative offers will be live from 8am. We will also have on site some additional support from external organisations to aid any student who requires to go through Clearing as well as THEWS to support students who require additional mental health and wellbeing support. To support your daughter in preparation for results day you may wish to access these resources:

1. The Clearing tool via her Unifrog account - this facility is already open and enables students to filter all university courses available through Clearing.
2. Parental Guide for Clearing via Unifrog
3. Useful pages on www.UCAS.com – Get Results Day Ready/ Results Day Survival Kit/ Supporting your child on results day
4. The Ultimate Guide on results from UCAS
5. Strategies for supporting your daughter's mental health and stress as she waits for her results

If your daughter wishes to explore remarks or obtaining a copy of her exam paper, please follow the intructions on the following page. Some students may consider resitting examinations, please note that we can facilitate this as an external center, however fees will be applied and we have limited spaces. Students will be allocated a seat on a first come first serve basis. In addition to this if your daughter wishes to apply for UCAS 2027 entry, she can obtain a reference to UCAS from contacting myself, however, I will need to have up to a fortnight's notice and a conversation regarding the reference with your daughter before this is agreed.

Please contact Mrs Richards, Director of CFGS6, at the school if you have any further questions.

Yours sincerely

Mrs K Richards (Director of CFGS6)
